

Serial No. 10/727,895
Docket No.: D4824-00043
Response to Office Action mailed March 8, 2005

REMARKS

As a result of this Amendment, claims 19, 20, and 22 are under active consideration in the subject patent application.

In the Official Action, the Examiner has:

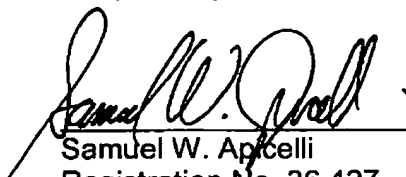

(1) determined that the reply filed on December 31, 2004, was not fully responsive due to an alleged omission of a complete listing of claims.

With regard to Item 1, on December 31, 2004, Applicants filed a Response to Restriction Requirement under 35 U.S.C. § 121. In that Response, Applicants inadvertently failed to include the cancelled claims 1-18 in the listing of claims. Cancelled claims 1-18 are now included in current Listing of Claims. Applicants respectfully request that this current listing of claims replace all prior versions and listings of claims in the application. As a result of this Response and Amendment, claims 19, 20, and 22, continue to be under active consideration in the subject patent application.

Applicants respectfully request that a timely Notice of Allowance be issued in this case. If a telephone conference would be of assistance in advancing prosecution of the above-identified application, Applicants' undersigned Attorney invites the Examiner to telephone him at 717-237-5516.

Dated: 3/14/05
